Dear Parents / Guardians,

Re: Primary 1 Holistic Assessment Schedule for Semester 2

Our Primary 1 students have gone through one semester of holistic assessment which provides teachers and parents qualitative and quantitative feedback to support and guide the child's development of skills and values as well as acquisition of knowledge.

2. In Semester 2, the holistic assessment will continue. Attached is the Primary 1 holistic assessment schedule for Term 3 and 4. The subject teachers will provide further details on the assessment for the respective subjects.

3. Students who are absent during any of the assessments are to take note of the following:

- Only a valid medical certificate will be accepted.
- Students are expected to be prepared for the make-up assessment on the day he / she returns to school.
- The make-up assessment will commence after he / she completes the scheduled assessment for the day. Students who miss more than one paper will sit for a maximum of two papers per day (including the scheduled paper) in the following order: English Language, Mathematics and Mother Tongue Language.
- For students who return to school only after the last day of the make-up assessment, the assessment paper will be given as practice but marks will not contribute to the overall results at the end of the year.

4. We hope to continue to work in partnership with you towards the holistic development of your child / ward. If you need further clarification, please contact your child's / ward's subject teachers.

5. Thank you.

Yours sincerely,

Ms Linda Chew
